---

## FULL STACK WEB DEVELOPER

Diligent full stack developer trained in HTML, CSS, JavaScript, MySQL, and MERN stack gained from UCR extension campus. Eager to grow as a developer and create intuitive and beautiful applications. Wide range of experience from careers in both healthcare and forensic industries. Entered each previous career opportunity with little to no experience and quickly became a valued and reliable team member.

---

## TECHNICAL SKILLS

**Languages:** HTML, CSS, JavaScript, MERN, node

**Database:** MySQL, MongoDB

**Other:** Heroku, Git, Bash, Microsoft Office Suite, Patient care portal, BTL program

---

## PROJECTS

**Alcocal** - <https://alcocal.herokuapp.com/> | <https://github.com/amaliawhay/alcocal>

**2020**

*The virtual bartender that uses what you've got!*

- Developed server, database, user authentication and security measures to deliver seamless and customized user experience.
  - Tools used: HTML, CSS, JavaScript, react, Node.JS, Express, dotenv module, redux toolkit, bcrypt, passport, heroku, mongoDB atlas
- 

## EXPERIENCE

**BioTox Laboratories**

**Riverside, CA**

**Office Assistant**

**2018 – Present**

Provide exceptional customer service while managing and directing a high volume of phone calls. Assist in the preparation of legal documents for law enforcement, legal and coroner clients. Strong attention to detail performing data entry on custom BTL program while preserving chain of custody

### KEY ACHIEVEMENTS:

- Adapted to unexpected disruptions to standard workflow to meet crucial deadlines
- Dependable, flexible, problem solver and noted for a “can do” attitude.

**Asistencia Villa**

**Redlands, CA**

**Certified Nurse Assistant**

**2012 – 2018**

Fostered relationships with patients, fellow caregivers and healthcare teams to achieve individual care plan targets centered around rehabilitative and supportive therapies. Maintained accurate, timely flow of information by completing thorough patient records and updating the healthcare team on patient status.

**KEY ACHIEVEMENTS:**

- Awarded employee of the month
- Volunteered to work additional shifts during busy periods to maintain proper staffing and floor coverage

---
